

# Why Auto Hauling is Built for You

**NEXTGEN**<sup>®</sup>  
TRUCKING  
YOUR ROAD TO THE FUTURE

[www.nextgentrucking.org](http://www.nextgentrucking.org)

**3 Work With Cars & Real Equipment**  
You're not behind a desk. You're loading, moving, and handling vehicles every day.

**2 High-Demand, Hard-to-Replace Skill**  
This isn't basic freight. Auto hauling is a niche, and that makes you valuable.

**1 Earn More, Faster**  
No degree, no debt. Learn a specialized skill and start earning strong money early.

**9 Stability + Benefits**  
Strong pay, health benefits, retirement, and long-term stability.

**10 Tech-Driven, Modern Industry**  
Advanced trailers, apps, and systems. This is skilled work, not outdated work.

**11 Be Part of Something Bigger**  
You're helping keep the industry moving. Dealerships, auctions, and manufacturers rely on you.

**4 Get Paid to Think**  
Every load takes strategy. You're solving problems, planning moves, and building real skill.

**5 Freedom + Nationwide Opportunities**  
Work anywhere. Travel, relocate, or find routes that fit your lifestyle.

**6 Real Work-Life Balance**  
With the right company, you can have consistent routes and predictable home time.

**7 Active, Hands-On Work**  
No cubicles. You're moving, working outdoors, and staying engaged.

**8 Build a Career (Your Way)**  
Stay on the truck and maximize earnings, or move into training, leadership, or mentoring.

# Do You Have What It Takes?

**1**  
**Precision & Attention to Detail**  
Every inch matters. You take pride in doing things right.

**2**  
**Calm Under Pressure**  
Tight spaces, tough conditions. You stay cool and in control, doing things right.

**3**  
**Spatial Awareness & Problem Solving**  
You think ahead, plan your moves, and figure things out as you go.

## Top 5 Traits of a Great Auto Hauler

**4**  
**Work Ethic & Grit**  
Rain, heat, or snow. You show up and get it done.

**5**  
**Ownership & Professionalism**  
You take pride in your work and represent yourself and your company well.
